

## Planning

## Delivery

## Follow-up

## Results

### You give

- Help selecting a focus for the event to ensure it connects to your priorities
- Support in identifying participants and encouraging attendance from within the public sector
- Leadership buy-in, co-branding and event sponsorship
- Contribution to the Festival costs
- Liaison with Innovation Exchange on event planning and follow up

### You get

- A vibrant one-day innovation event for 50/60 people which contributes to your work programme and supports innovation
- A brief report of the event including recommendations and suggested next steps
- Ideas, data and video from the event hosted on the Innovation Exchange website
- New relationships and alliances around outstanding third sector innovation projects
- Practical next steps to develop and grow innovation

### What is a Festival of Ideas?

A Festival of Ideas brings together the right people in the right way to grow innovation. They unite third sector innovators, commissioners and investors to address compelling social challenges through collaborative innovation. They build relationships, map innovation and generate practical solutions and next steps.

### We provide

- Intelligence gathering and research
- Promotion and idea generation
